Dear Principal,

S1 Information Day 2024

I am delighted to extend an invitation to your Primary 5 and 6 students and their parents to join our upcoming S1 Information Day on 7 December 2024 (Saturday). The event aims at giving participants an understanding of our school's vision, mission, language policy, curriculum and co-curricular activities, and the application procedures for Form 1 admission.

As a well-established Canossian school founded in 1869, we are committed to forming the hearts of our students with adherence to Catholic virtues and Canossian values. We endeavour to nurture students into lifelong learners who are ready to serve others with their God-given talents. The commitment of our alumni and the contributions they have made to the community through their chosen professions are testimony to our school's education philosophy.

Our school has a heterogeneous student population of which 40% come from non-feeder schools. This diversity creates an inclusive environment for learning which embraces differences and promotes exchange of ideas. We welcome students from various educational backgrounds to join our school community and embark on a fruitful learning journey.

Details of the S1 Information Day are as follows:
