

## **My Dream Job**

**I want to be a vet when I grow up because it is a meaningful job.**

**If I become a vet, I will cure sick animals.**

**Vets need to be caring so that they can take care of the animals.**

**They also need to be calm so that they can do well to cure the sick animals. They need to be hard-working too. They read a lot of books and study hard so that they learn how to cure the animals.**

**I think this job is suitable for me because I am caring, calm and hard-working. I hope I can be a vet. some day.**
