

## People Who Influenced the World

Walt Disney is the world's most famous animator. He created Mickey Mouse and started an animation studio which made the first ever movie length cartoon.

Disney was born on 5<sup>th</sup> December 1901 in Chicago, USA and died December 15<sup>th</sup> 1966. Walt Disney has done a lot of achievements, for examples, Oscar Best Picture, Oscar Statues and so on....

I appreciate his great career. It is a pity that I have never been to any Disney theme parks. I hope one day I can visit Hong Kong Disneyland.
