### My meaningful field trip

Today was a sunny and hot day. I and my classmates had a field trip in Fanling. We went there by school bus. We were on cloud nine.

We arrived at the farm at 9 a.m. The teacher told us to behave well. "You shouldn't run!" said the teacher. We said okay. First, the staff took us to see the trees and plants. I saw some tomatoes. They were big and red.

Then, we painted on a stone. I drew a dog and my face on my stone. Suddenly, I dropped my stone on the floor and it broke into pieces. My heart sank. Then, the staff gave me another stone. I was happy so I thanked him.

After that, we used the watering can to water the fruit trees. The staff taught us how to plant trees too.

Lastly, we went back to school by school bus. I smiled with happiness. We learnt how to plant. What a meaningful day!

### My amazing field trip

Today was a sunny day. I and my classmates had a field trip in Fanling. We went there by bus. We were over the moon.

We arrived at the farm in the morning. The teacher told us some rules. "You shouldn't run or fight with one another," said the teacher. First, the staff took us to see the plants and fruit trees. Then, we had an art activity. We painted on a stone. I drew a lion on my stone. It looked cool!

After lunch, we had a free time. We went to pick up tomatoes. Suddenly, a snake came out from the grass! My heart was in my mouth. The staff picked up a stick and waved. He wanted to scare the snake away. Lastly, the snake went away.

In the evening, we went back to school. We learnt how to plant today. What an amazing day!
