Over the past 65 years, St. Paul's Secondary School has established itself as a Catholic school for girls dedicated to the all-round development of its students and passing on the core values of Catholic Education. We take pride in having nurtured generations of young minds and will continuously empower students on their learning journey for a brighter, more prosperous future.

We warmly welcome you and members of your school community to our 65th Anniversary Open Days which will take place on 13 and 14 December 2025 (Saturday and Sunday).
