Established in 1903, St Stephen's College is a co-educational Christian secondary school located on the scenic Stanley Peninsula at the southern tip of Hong Kong Island. The College's picturesque campus, measuring 150,000 square metres, boasts a declared monument and numerous graded historic buildings that have inspired generations of young minds. A commitment to whole-person education, with a balanced emphasis on moral, intellectual, physical, social, aesthetic and spiritual development, is at the heart of our curriculum.
